90th Birthday Party - April 10, 2010

Reminder: LWVPBC Annual Meeting at 9:30 AM precedes the Birthday luncheon.

Is it true that all of you will be coming to our gala 90th Birthday Party?? That would be wonderful to have such a big group of Leaguers! Your committee, including Broward members, has been meeting since November to discuss how to celebrate this great event in our League’s history. April 10th should be on your calendar when the luncheon will start at noon.

Muriel Siebert, the first woman member of the New York Stock Exchange, will be our keynote speaker. She should have some interesting episodes to tell us as she has worked there 40 years. Another speaker, Deirdre Macnab, State President, will give a summary of her goals for this next year. Before these formal events, there will be some surprises and new activities. Let’s have a crowd of Leaguers from Broward County and Palm Beach County to enjoy lunch together and sing “Happy Birthday to LWVUS”. We look forward to greeting you that day.

One important reminder, this birthday gala is also a fundraiser. We hope some of your friends might be supporters of our PBC League. We would be happy to list their names in our program too. A coupon below is for your luncheon reservation along with your “Friend” donation, if appropriate. You can send a combined check with the coupon below.
